For 13 Horses

Ingredients:
20 Apples
½ Jar Molasses
3 scoops soaked beet pulp
1 cup sunshine
Grass to Sprinkle on Top

For 3 Humans

Ingredients:
2 Apples
2 Spoonfuls Sugar
1 T Butter (optional)
¼ cup oatmeal
1 cup sunshine
Cinnamon to sprinkle on top

Directions: Place apples in a bucket (or mixing bowl). Mash with your hoof. (If you do not have hooves, then chop the apples into small pieces). Mix in molasses (sugar) and beet pulp (oats). Cut butter into very small pieces and mix into apples. Hold a cup out your window to fill with sunshine. Pour into the bucket and mix well with your hoof or a fork. Put apple mixture into a greased baking dish. Sprinkle the top with grass or cinnamon.

For humans: bake at 350 degrees for 20-30 minutes, or until apples are soft.

Enjoy! And be careful to leave it out of reach of hungry cats...
